## **Bible Notes**

### **Dividing the Land**

1. The land of Canaan was first promised to Abraham, then Issac and Jacob.
2. Now it was divided between the tribes of Israel, which was the name God gave to Jacob.
3. The land would now be called Israel.
4. Caleb was given the city of Hebron for his faithfulness to God, but he and his army had to conquer it themselves.
5. Joshua was given the city of Timmathserah.
6. Seven cities were made cities of refuge where those who accidentally killed someone would be protected from punishment.
7. They were spread throughout the land of Israel so anyone who needed that protection could easily get to one of those cities.
8. When Joshua was more than 100 years old, he called the people of Israel together and told them that he had made the decision that he and his family would always serve God.
9. He urged them to do the same rather than worshipping the idols of the people around them.
10. When he was 110 years old, Joshua died.
11. As long as people lived who remembered Joshua, the people of Israel served God.
