Math Facts

We will be moving into using multiplication this week! If your child still uses his or her fingers to add and subtract, he or she really needs extra practice at home. It is crucial that the students have their facts memorized so that multiplication and two and three-digit addition and subtraction are not too difficult! Please use flash cards or games to help them memorize addition and subtraction facts!!!

Upcoming Field Trip

We will be going to see Stephen Fite on February 22nd. We only have FOUR parents that are able to go on this trip. Students are encouraged to wear "beach" themed clothing, along with jeans and tennis shoes. No swim shorts or flip flops!
