Test Date: Friday, Sept. 25th

Lanark Field Trip

Information was sent home in Tuesday folders last week. Please return the form and money by Friday, October 2nd. Checks can be written to ACA!

Lunch Visitors- The teachers are asking that when our students have visitors at lunch to please sit a different table than the rest of the class. Teachers are having a hard time implementing the "red cup" rule of ten minutes of no talking. We want you to be able to talk with your child while you are here!

Scholastic Books

Thank you so much for the orders that many of you placed this month. We earned enough credit to receive **16** new books for our classroom library. I plan to send home an order form most months so there will be plenty of chances to order if you were unable to do so this time!

OTHER REMINDERS...

- Elementary Night at the Football Game will be Friday, October 2nd. More details coming soon from Mrs. Turner.
- Fall School Holidays are October 12th & 13th.
- Save the date: Elementary math Night will be Thursday, October 15th.
- PLEASE practice addition and subtraction math facts with your child **each night**. It's very important for them to be memorized!

Class DoJo

You should have received information about our new Class DoJo account. We are enjoying using this as a tool for positive behavior and behavior that needs some work. Students must log into their accounts to change their characters. Parents must sign up using your accounts to see and receive updates on your child's behavior. Students will accumulate points throughout the month. At the end of each month, students will "cash in" their points for special rewards within our classroom. Please take some time to sign up for your account! I think you will enjoy being able to keep up with your child throughout the school day!
